

*Holiday 2021*

*Dear Friends,*

**My name is Shelfina, and I live on the North Pole. I'm a toy analyst for Santa Claus!** His workshop is a blast, and I get to see my friends every day! The newfangled stuff is fun, but the best toys are the classics. You can't beat a giant Teddy Bear! I'm 210 years old and I've got one **three times my size!**

**This is Eli Gramps with Floppy.**

**Gramps lives down the lane where he raises giant fir trees and flying reindeer.**

My new addition is Floppy, my Giant Flemish Rabbit! She's so sweet, and she does most of the gardening. She's also wonderful to talk to. So clever! I speak Flemish, Reindeer, and Snowman.

My best friend Delfina lives next door in her gingerbread house. Whenever a shingle falls off, she gives it to me for a treat. We both love to giggle at silly jokes. She and I have earl gray tea with bergamot in the afternoons and watch the stars twinkle in the evenings. We also love to dance to "Earth, Wind and Fire," "Sly and the Family Stone," and James Brown! Our favorite drink is hot chocolate, with gingerbread men Peeps (this is a real thing) and a candy cane. Our favorite movies by far are "Miracle on 34th St.," "White Christmas," and "Die Hard." Look, we're elves, and we think it's a Christmas movie. Lol. How did he do all that with bare feet?

Recently Gramps spotted a wooly mammoth and maybe even the back of the abominable snowman! It is never dull around here.

**Time to go back to work! It's our busy season, as you know!**

*Just remember, "He sees you when you're sleeping; he knows when you're awake. He knows when you've been bad or good, so be good, for goodness sake!"*

*Delfina, Floppy & I wish you a very merry, joyous,  
and healthy holiday season!*
