

MERRY FUCKING CHRISTMAS FUCKERS!

Hey Dicks! Merry Fucking Christmas! What a fucking year it has been for the Fords! Holy shit! I know you're probably a little worried about me, but don't be. I joined Curves, started meditating, and finished the sex bunker I've been building in the basement, so things are super fucking awesomesauce right for me right now.

And Renata? Holy shit...she is super fucking awesome too. Seriously, my wife is one beautiful cunt. Inside and out. She has been so supportive this year and she is my rock. It's amazeballs. She stood by me at that press conference where I talked about doing crack, she stood by me at that press conference where I talked about eating her delicious pussy, and she DVR'd mother fucking Homeland while I was at the annual Dixon City Bloods cookie exchange last weekend (by the way, how pissed are you that Brody is dead? Don't get me started...). Truly, I'm really fucking blessed.

And how are Doug and Stephanie? Yep, you guessed it! They are fucking awesome too! Doug got beaten up at Space Camp on account of his tiny hands, Stephanie has taken up bow hunting, and they're both addicted to cheese. It's truly some inspiring Christmas miracle shit.

Seriously, 2013 has been the tits for the Fords. I bet you're wondering, "Hey Tom, how the tits has 2013 been for the Fords?" Well, imagine the best fucking Malaysian prostitute you've ever been with. Now imagine her tits. That is how fucking THE TITS 2013 has been for the Fords. And boy oh boy, who has seven thumbs (Doug is missing a thumb after the Space Camp incident) and is super fucking jammed for 2014? THE

FUCKING FORD FAMILY. I bet you're wondering, "Hey Tom, how super fucking jammed are the Fords for 2014?" Well, imagine the smoothest fucking cocaine you've ever snorted. Now snort that smooth cocaine off those amazing Malaysian tits we just talked about. That is how fucking pajama jammy jammed the Fords are for 2014.

So Merry Fucking Christmas! And remember, Jesus is the reason for the season.

LOVE,

The Fords

THE FORDS
