3-week family vacay to Costa Rica (all expenses paid by my AMAZING company) with the kids and we found a new species of bird – how unbelievable are we?!!! They named it after our son Kayce and they're practically twins! DRUM ROLL!!! Introducing the Costa Rican Spayce Kayce after his favorite actor too! How cool is that for a 13-year old!!!

Our 10-year old Stayce has been socially and academically promoted to 7<sup>th</sup> grade! With an IQ of 90 at this age – double the norm! – we were not surprised. In fact, hubby of the year Tad (or as I like to refer to him “Taddy with the pole” called it and won our bet so I owe him 5 large ☺ and a month of blowies. And...really, I should know better – didn't get the gambling gene from Mom. Silly me!! (BTW Raycine, my favorite and only sister, has Mom paid off that bookie?)

And little old me? I'm Regional Junior VP of Mary Kay for the entire Southeastern United States of America. I have a new pink Chrysler SUV and got a \$50,000 bonus!!! I'm on Cloud 9 and look like my 25-year old self. MK works miracles – you should try it, Neighbor Sue! I can get you free samples while you get over that ugly bankruptcy and divorce!!!!

Last year, I got some salty emails and DMs about my Christmas update but I don't want to hear a peep this time. We're having a fantastic year. We're celebrating ourselves and you can screw yourself up the old arsehole if you throw shade, spill tea, or show your jealousy. That's on YOU. So. Don't judge.

Sending you all good vibes for a Merry Christmas and a luxury-filled New Year – though for some of you that just means a full punch card at Cinnabon!!! How I love my life 💕💕💕💕💕💕💕💕

In Christ with Love and Light to one and all this 11<sup>th</sup> Day of December in the Year of our Lord 2023!!!!

P.S. No, Aunt Maggie. You can't borrow any money. And return our riding lawnmower you lazy jerkoff, Jayson. You're my brother but that's my Toro Titan 5400. LAYCEY! LAYCEY!!!! Your cousin does not have a punchable face. Stop posting that on Kayce's Insta, you little troll or Aunt Kayla is gonna to get very, very upset and order a DNA test from 23andMe that might prove very unpleasant for your Momma.
