

And the Angel said, Be Not Afraid, for unto you a King is born!

To all my fans and followers—

As you know, I have recently gone through a SPIRITUAL TRANSFORMATION. And I know some of y'all in the mainstream media be saying I'm crazy, but I'm just real. You see, before, I was MENTALLY IMPRISONED and suffering from the abuses of SOCIETY. But God spoke to me and said, 'Kanye, I have made you the BEST MUSICAL ARTIST ever and your words are MY WORDS and TOGETHER we are GOD.' So I am just using what I was CREATED TO DO to BREAK THE SIMULATION. December 25th may be JESUS' BIRTHDAY, but every day is MY BIRTHDAY because I am BLESSED. And just like Jesus had the disciples and the Romans be telling him NO, you are not the King of the Jews, people be telling me NO, like, I can't be President. Well I WILL BE PRESIDENT because you all need to vote for GOD. And the election is like the GRAMMYS but the ELECTORAL COLLEGE voted for Beyoncé, see? And God has made my wife to be a re-born VIRGIN MARY because we are all RE-BORN. And nobody lives in a glass house, so why are we throwing stones? I get these stream of consciousness but that's just GOD FLOWING THROUGH ME and I can't stop it. Peace is real y'all. God is King and I am HIM.

~Kanye
