

GREAT SCOTT!

I'M COMING TO YOU FROM THE YEAR 2045. I CAN'T TELL YOU TOO MUCH, FOR I DON'T WANT TO CREATE A GLITCH IN THE TIME CONTINUUM, BUT I CAN TELL YOU THAT THE ANSWERS TO SO MANY OF OUR QUESTIONS HAVE BEEN RIGHT UNDER OUR NOSES!

THE WORLD IS NEARLY 70% FORESTS NOW, ONCE WE LEARNED THAT PAPER CAN BE MADE FROM THE DEAD LEAVES FALLING OFF TREES! WHO KNEW! ANTS HAVE BECOME A STAPLE IN MOST PEOPLE'S DIETS - YOU SIMPLY SPRINKLE THEM ON LIKE PEPPER. TURNS OUT, THE SCIENCE USED TO CREATE THE COVID VACCINATION WAS THE MISSING PIECE THAT SCIENTISTS NEEDED TO ERADICATE CANCER. THE DEMAND FOR HEALTHCARE HAS GONE SO LOW, THAT DOCTORS EVERYWHERE ARE GOING BACK TO SCHOOL TO BECOME MECHANICS. BIG BUSINESS NOW THAT CARS ARE FINALLY FLYING. YES, THE DELOREAN IS ONE OF A MILLIONS FLYING CARS, THANKS TO THE INGENUITY OF OUR ALIEN FRIENDS. TURNS OUT MAGNETIC FORCE FIELDS WERE THE KEY (SHHHH DON'T TELL ANYONE).

2020 HAS GONE DOWN IN THE HISTORY BOOKS AS ONE OF THE MOST TRANSFORMATIONAL YEARS IN HUMAN HISTORY. THE BURST OF CREATIVITY THAT COMES OUT THIS ONE SINGLE YEAR, HAS PUT EINSTEIN'S ACHIEVEMENTS TO SHAME. BUCKLE UP AND GET READY FOR THE RIDE OF YOUR LIFE.

HAPPY HOLIDAYS.
